UNITED STATES
DEPARTMENT OF THE INTERIOR
INDIAN FIELD SERVICE

Fort Peck Indian Agency,
Poplar, Montana, August 10, 1928.

The Honorable
Commissioner of Indian Affairs,
Washington, D. C.

Sir:-

Enclosed herewith are original and one copy of the
annual census for this jurisdiction.

127
I desire to call attention to the recapitulation on
the last page of the census. In checking the roll after
the clerk had the same completed, it was discovered that
some births had not been accounted for. In order to continue
the numbers consecutively it was necessary to number these
added names by the addition of a letter. On page -10-, in
the family of Daniel Burshia, it was necessary to add the name
of Daniel Noel Burshian born June 12, 1928. As the numbers on the
roll run consecutively it was necessary to number this child
by using a letter after the number, therefore, his number on
the roll is -209A-. It will be found that there are 17
names added in this manner, accounting for births and adoptions
that were at first omitted. The omissions of the births was
brought about by the failure of physicians or midwife to make
report to this office. I believe the roll as now submitted
is correct.

Very respectfully,

Charles E. Egger
Charles E. Egger
Superintendent.

RECAPITULATION.

Census of the Yankton-Assiniboine Indians of the Fort Peck Agency,
Poplar, Montana. On June 30, 1928, taken by Charles Eggers,
 Superintendent.
